PATHS PROGRAM LAUNCH

This past month has also seen the launch of the *PATHways to STEM (PATHS) through Enhanced Access and Mentorship Program*, a 4+ year round program designed to provide enhanced access to targeted academic preparation, multi-tiered mentorship, personalized student support, improved STEM identity, early career identification, and internship and service placement to students from underserved communities and backgrounds. The program has just selected its *first student cohort*, arriving this summer for the start of the program.

• CALL TO ACTION

The following opportunities are some ways to engage with diversity in the division:

STARS Summer Research Panel

July 2018

*Click for more information
about STARS*

Summer Bridge/TOPS Panel

August 2018

*Click for more information
about Summer Bridge*

If you are interested in receiving updates on more ways to get involved with diversity in the division, be sure to fill out the ***Interest Form*** on the Diversity website.

• DIVERSITY SPOTLIGHT

UC San Diego Division of Biological Sciences graduate student Chandler Puritty was honored on March 1 at a ceremony recognizing university leaders who are making a difference in improving equity, diversity and inclusion (EDI).

At the 23rd annual Equal Opportunity/Affirmative Action and Diversity Award Ceremony, UC San Diego Executive Vice Chancellor Elizabeth Simmons recognized Puritty for her many efforts promoting EDI programs and initiatives on campus and in the greater community.
